ThinkTron Ltd. Scholarship,
MS Program in Disaster Risk Reduction and Resilience,
International College,
National Taiwan University**

Passed by the Program Affairs Committee Communication Meeting on March 18, 2026

Passed by the 2nd College Affairs Committee Meeting on March 24, 2026

All articles promulgated on March 25, 2026

- Article 1 National Taiwan University International College MS Program in Disaster Risk Reduction and Resilience ("the Program") formulates the *Guidelines for the Establishment of the ThinkTron Ltd. Scholarship* ("the Guidelines") to establish the ThinkTron Ltd. Scholarship ("the Scholarship") to encourage outstanding students to engage in academic research. These Guidelines are hereby formulated.
- Article 2 The Scholarship shall be reviewed and administered annually by the Scholarship Committee of the Program.
- Article 3 The funding source of the Scholarship is a donation from ThinkTron Ltd.
- Article 4 Eligibility: Second-year students currently enrolled in the Program.
- Article 5 Quota: In principle, up to two recipients may be awarded each year.
- Article 6 Award Amount: Each recipient shall be awarded NTD 20,000.
- Article 7 Disbursement: The Scholarship shall be granted in a one-time payment during the second semester of the second academic year.
- Article 8 Recipients who take a leave of absence, withdraw from the University, or receive an admonition or more severe disciplinary action during the award semester shall have their eligibility revoked.
- Article 9 Any matters not addressed herein shall be handled in accordance with the announcements and relevant regulations of the Program.
- Article 10 The Guidelines shall be passed by the Program Affairs Committee and the College Affairs Committee and then implemented on the date of promulgation.
